Cash, check, and all major credit cards are accepted for payment. The first session fee is due in full at the time of service. The Psychological Assessment Center is not in-network with any insurance providers. We will, as a courtesy to our clients, file most insurance claims. Clients are responsible for paying in full whatever insurance does not cover. If you do not show up for your scheduled appointment, and you have not notified us at least 48 hours in advance, you will be required to pay the full cost of the session. These missed sessions cannot be billed to your insurance carrier. Forensic assessment, deposition, and court testimony are not covered by insurance and must be paid in full in advance.

Balances carried over 30 days will be subject to a 5% late fee.
Balances carried over 90 days will be sent to our attorney for collections.
